

COUNTY OF NORFOLK, MASSACHUSETTS

**Employment Opportunity
Assistant Golf Course Superintendent**

The County of Norfolk is seeking qualified applicants for the position of Assistant Golf Course Superintendent for the Wollaston Recreational Facility.

Principal responsibilities include to direct and participate in the maintenance operations of the facility, directs maintenance personnel, and performs any duties necessary as assistant to the department head.

Duties include assigning daily work schedules and secondary tasks of the golf course Maintenance staff, and support golf course personnel. Will assist the Director in planning and scheduling maintenance activities. Supervises and participates in the application of pesticides, fertilizers, and other materials necessary in maintaining the golf course in keeping with contemporary standards of the industry. Outlines supervise and participate in equipment maintenance including a preventive maintenance program, winter reconditioning, and in-season repair priorities. Responsible for the functioning of the irrigation system including spring start-up, effecting necessary repairs during the season, preventative sprinkler maintenance, programming of irrigation cycles, and winterization. Implements employee training in the proper care and use of the golf course maintenance equipment. Receives golf course maintenance material and supplies and assist in maintaining a material and equipment inventory.

The position reports to the Golf Course Director and the County Director or the County Commissioners. Will be in charge of the Wollaston Recreational Facility in the Director's absence.

The position calls for a working knowledge of golf course maintenance equipment, preventative maintenance, and the ability to recondition fine turf reel mowers. Working knowledge of large turf area irrigation systems, pumps, and solid-state controllers, computer-driven system experience preferred.

Working knowledge of the application methods of pest control and fertility levels on golf turf. MA Commercial Pesticide license category 37 required, Minimum of an Associates degree in Turfgrass Management or related field. Minimum of two years of experience working on golf courses.

Starting range \$61,808.72 - \$64,747.17 with competitive benefits. The position is based in Wollaston, MA
